

TELECOM ITALIA COMMITMENTS SUBMITTED TO AGCOM

The Communications Regulatory Authority has received today a document on Telecom Italia commitments submitted under law no. 248/2006 relative to some regulatory procedures and in particular the one regarding network access, amenable to Decision no. 626/07/CONS.

Moreover, these commitments involve some of the sanctioning procedures on matters of competitive problems.

The Authority will carry out such engagements according to the established procedures under Decision no. 131/08/CONS, with respect to the principles of transparency and participation.
