Gli elementi sopra richiamati in ordine alla gravità della violazione e al suo carattere massivo, valutati unitamente alla circostanza che l'istanza DDA/1755 è stata presentata da una delle associazioni di cui all'articolo 1, comma 1, lett. u), sono tali da giustificare l'applicazione dei termini abbreviati di cui all'articolo 9 del Regolamento.

Si comunica che, ai sensi dell'art. 7, commi 2 e 3, del richiamato Regolamento, i soggetti destinatari della presente comunicazione e, considerata la localizzazione estera dei server, i prestatori di servizi che forniscono, ai sensi dell'articolo 14 del decreto legislativo 9 aprile 2003, n. 70, l'accesso al menzionato sito web da parte degli utenti mediante richieste di connessione alla rete internet provenienti dal territorio italiano, possono adeguarsi spontaneamente alla richiesta del soggetto istante, inibendo l'accesso alle opere oggetto dell'istanza e dandone contestualmente comunicazione all'Ufficio diritti digitali della scrivente Direzione all'indirizzo PEC dda@cert.agcom.it, la quale disporrà, in tal caso, l'archiviazione del procedimento in via amministrativa.

Come previsto dall'articolo 8, comma 3, della legge 7 agosto 1990, n. 241, si procede alla pubblicazione della presente comunicazione di avvio del procedimento istruttorio sul sito internet dell'Autorità www.agcom.it in ragione dell'elevato numero di destinatari che rende particolarmente gravosa la comunicazione personale.
