

Invitation to the ERGP Workshop on Data Driven Regulation of Postal Services

Event date: 28 November 2019

Location: GRAND HOTEL AMRÂTH KURHAUS, The Hague, The Netherlands

The ERGP workshop on Data Driven Regulation of postal services will be an unique opportunity to discuss the data that is relevant for the regulation of the sector and to discuss the experiences of all stakeholders regarding the use of data to regulate and supervise the postal market. Session 1 of the workshop “Postal data: which data do we need?” will discuss the current ways of collecting and disseminating regulatory data by ERGP, the EC and other regulatory bodies and the data necessary to regulate properly the sector.

In Session 2, “Cross border parcel delivery services regulation: how are we doing so far & lessons for the future”, we will discuss the implementation of the cross border parcel delivery services regulation, with a focus on the collection of information and the experiences of the NRAs and the providers on the current collection exercise.

The workshop will take place from 9.30 - 16.00 (CET). Welcome coffee starts at 9.00 (CET).

Please find here the [ERGP Workshop Programme](#) and [Practical Information](#)

Please register here until 19th November: https://www.formdesk.com/ACM/ERGP2019_WORKSHOP.
